Please contact [tmitchell@andersonpump.com](mailto:tmitchell@andersonpump.com) or [chris.f@andersonpump.com](mailto:chris.f@andersonpump.com) with any questions

Only Gilbarco Veeder-Root ASC technicians may attend certified training classes, CSC and SSC may attend with prior MSM approval. 6 month Service Station experience is recommended. Technicians need to have a valid API certification and valid Tech number.

\$2800 per technician. Scheduling as a 5-day course.

Dispenser pre course must be completed successfully at <https://Gilbarco.sabacloud.com>.

Class begins on day 1 at 8am CST. Lunch will be provided, and class ends at 5pm but could go longer. On day 5 class should end approximately 4:30pm and final written and practical test to be done in the afternoon. Please schedule travel plans accordingly. Laptops will be needed and must have an Ethernet port and RS232 port/converter along with a Lockout/Tag Out Kit. Please have administration rights on laptops.
